

Dear Parents and Carers,

Please find attached the remote learning sheet for students to access, whilst at home, on Wednesday 15<sup>th</sup> March 2023. Work has been carefully selected from Oak National to consolidate previous learning which has taken place, in class, over the year.

There are plenty of other websites which students can also access if they wish to complete more work during the day.

Students will need access to a mobile phone device, Chrome Book or Laptop to complete the work set. In addition, some teachers may have set additional work for their subject area which will be found on TEAMS or they will have been given a paper copy. If students cannot access TEAMS, then the sheet attached to this email will provide home learning activities for the day; by clicking Ctrl and click on the link. This will take them directly to the lesson.

**Additional resources:**

All students have a login for Maths Watch so they can access additional Maths lessons via this site, <https://vle.mathswatch.co.uk/vle/>.

Students have also been informed about Corbett Maths and they can find excellent videos and worksheets to support them with their Maths work, <https://corbettmaths.com/>.

Should they want to explore other subject areas, they can visit the Oak National Academy website <https://www.thenational.academy/>. Once they have followed this link it will take them to the home page. They need to enter 'classroom', click on 'subjects' followed by 'Key Stage 3'. Students will then have a variety of lessons in different subjects they can study if they wish to do so.

We look forward to seeing all students back in school at 8.25am on Friday 17<sup>th</sup> March 2023. Friday 17<sup>th</sup> March is Red Nose Day and an optional non-uniform day for all students for a donation of £1. The theme is 'Dress with Joy'. We will join thousands of people across the country to raise money for a good cause. Students may wish to bring a small amount of change with them so they can take part in various challenges during lunch time.

Yours sincerely,

Nic Watkin  
Head Teacher
