Hospitality and Catering Trip to Lincoln College Monday 27th February 9.00am – 12.45pm

Dear Parents/Carers,

Thursday, February 16, 2023

The Year 10 Hospitality and Catering students have made a great start to their qualification since September. They have grown in confidence within the kitchen and have become increasingly independent with their culinary skills. They have learnt about the wider issues facing the hospitality and catering industry within their theory lessons as well as investigating the importance of food safety, hygiene and the role of the Environmental Health Officer.

To enhance the students' culinary experiences and broaden their knowledge of the vast array of career opportunities available within this sector, I have organised a trip to Lincoln College on Monday 27th February.

Students will experience what it would be like to study similar courses post 16 within a large further education setting. Please find below the **itinerary for the day**:

9:45am-10am- Arrival and Welcome
10.00am-10:30am- Introduction to Catering at Lincoln College
