

Dear Year 11 Parents/Carers,

Re: UK University and Apprenticeship Search Fair – Wednesday, October 11th

We are thrilled to inform you about an exciting opportunity for our students! On Wednesday, October 11th, we will be taking our Year 11 students to the UK University and Apprenticeship Search Fair, which will be held at the King Power Stadium in Leicester. We wanted to share the details of this event with you so that you can mark it on your calendar.

### Event Details

**Date:** Wednesday, October 11th

**Bus pick up:** 8:50am

**Estimated arrival back at school:** 3:15pm

**Location:** King Power Stadium Leicester

The UK University and Apprenticeship Search Fair is an inspirational event that will help your child make informed decisions about their future. This fair is an ideal platform for students to explore and choose the right path, whether it's pursuing a university education or exploring apprenticeship opportunities.

We are pleased to inform you that the fair is completely free for all students. It promises to be both exciting and informative, offering attendees the chance to engage with numerous universities and some of the UK's best apprenticeship providers. This event caters to students of all abilities and aims to encourage wider participation while also meeting the needs of higher academic achievers.

Throughout the day, there will be various seminars that students can attend. These seminars cover a range of topics, including:

- "Why Take an Apprenticeship"
- "UCAS Personal Statement"
- "University Life and Courses"

Students should attend in school uniform and will need to bring a packed lunch with them. The venue is cashless, so if students do want to buy an additional drink they will not be able to use cash. If your child receives free school meals, a school packed lunch will be provided. Students can collect this from Miss Leek on the day of the trip.

We believe that this UK University and Apprenticeship Search Fair will be an invaluable experience for our Year 11 students as they embark on their educational journeys beyond
