Celebrating success and looking for the best!

This week sees the launch of a brand new section of our website dedicated to the progress of the new-build project. The site will go live on Friday so do keep checking back for updates—and if you don't already, follow us on Twitter to keep up to date with all that's happening in school and with the plans for Fernwood.

Looking ahead to next term, we will be holding elections for our first ever Head Boy and Head Girl. We'll be looking for students who will act as role models to other students, exemplify the high expectations we have of behaviour and conduct and who want to take an active role in the development of the school. Nominations will open on Monday 26 February.

There'll be a number of other firsts next term as well with the launch of our 'Golden Ticket' competition, the opening of our House Point Shop and the launch of brand new lunchtime clubs, including Chess Club and Performing Arts Club. Bring on Term 4!

Suthers Swimmers Celebrate their achievements in swimming, water polo and junior life-guarding.

Congratulations to our star swimmers! All of the students pictured above put in top performances all term and showed great levels of effort, resilience and determination—well done! Bring on Core PE in Term 4!
