

The Bulletin

Your Weekly News Update from The Suthers School

In Brief:

- ◆ We're on the move! 1st phase of our transfer to the new building is complete
- ◆ We will be holding a **Healthy Breakfast** event on Friday 20 October—details to follow
- ◆ A reminder that mobile phones are only permitted if switched off and kept in bags.
- ◆ How hot is your child's study spot? Help them get the most out of study time at home by setting up a quiet place where they can keep focused.

Attendance Matters

We all know that good attendance is vital to success at school. Our aim is to make sure all of our students maintain at least 97% attendance. For more information about how you can support your child and details, please refer to our Attendance Information Leaflet.

We're In!

We are delighted to be able to report that the move into the refurbished building has begun! On Thursday, we moved into the two main classrooms on the ground floor and as we gear up for Open Evening next week we are expecting to have the whole building completed by Tuesday 3 October. It has been great to see our students settling into their new home (see below) and finally seeing all the planning become a reality! We will be holding an 'Open House' event next Saturday for all parents and we would love to see you there. Come along to meet staff, tour the new building and help support the Macmillan Coffee Morning.
