## Great News!

After a hugely successful Open Evening last night, we are now fully installed into the new building. We are looking forward to seeing many of you tomorrow at our Open House Event which will give you the long-awaited chance to see the building for yourselves. The event will run from 10-11.30 so feel free to drop in at any time. If you could RSVP to Mrs Braithwaite, it would help us make sure we can save you at least one slice of cake!

The pictures below give a glimpse of some of the rooms in use for the very first time last night. There was a great buzz about the place as prospective students got a chance to play with fire in Science, complete Willy Wonka's Golden Ticket Challenge in Maths and even sample some culinary delights in French. There were also storytelling challenges in English and our Art activity helped raise the profile of the work all our students have been doing for the 'Send My Friend to School' campaign. It was a fantastic evening and we would like to take this opportunity to thank each and every one of our Student Ambassadors — they did a wonderful job and were a real credit to the school.

## OPEN HOUSE EVENT

*Class of 2017*

You are invited to celebrate the official opening of The Suthers School and help raise money for Macmillan Cancer Support

**Saturday 7 October 2017 at 10.00am**

The Suthers School, The Suthers Building, The Banks, Bingham Nottinghamshire NG13 8BL

RSVP: [jbraithwaite@suthersschool.co.uk](mailto:jbraithwaite@suthersschool.co.uk)

The Suthers School is now a **Founding Partner School** of The Chartered College of Teaching.
