

# The Bulletin

Your Weekly News Update from The Suthers School

## In Brief:

- ◆ **Our Words of the Week** were 'Hard Work'
- ◆ **Putting language skills to the test!** Suthers students are competing in the Vocab Express League of Champions, an international French vocab contest. Bonne chance!
- ◆ **Year 7 Meet the Tutor** evening Thursday 18 October 16:30—19:00
- ◆ **Join us for our Open Morning** on Saturday 20 October in aid of Macmillan. Please RSVP.
- ◆ **Is your child a lifesaver?** Restart A Heart Day is coming on 16.10.18 which will give every child the chance to learn essential

## LOOKING FORWARD TO WELCOMING YOU

Following our hugely successful open evening we have been very pleased to welcome prospective parents and their children into school this week for a look at Suthers School life on a normal working day. A big thank you to the students and staff involved in making our visitors feel so welcome—And as we head towards the penultimate week of Term 1, we are also looking forward to Restart A Heart Day 2018, an event run in association with the East Midlands Ambulance Service and the British Heart Foundation which is designed to help create a whole new generation of life-savers. We are also really looking forward to welcoming parents of our new Year 7s to our 'Meet the Tutor' evening on Thursday, as well as opening our doors next Saturday morning to all parents and students for our annual Open House event in aid of Macmillan Cancer Support. We do hope that you can join us—If you haven't already done so, please RSVP by emailing: [nfriend@suthersschool.co.uk](mailto:nfriend@suthersschool.co.uk)

## MathsWatch League Update Term 1

First Name	Surname	Logins	Minutes Spent
Lewis	Allen	27	564
Abygail	Shajimon	43	541
Madison	Drummond	13	432
Charlie	White	28	393
Ellen	Corston	26	383

A big well done to the Year 8s who are currently topping the table for engagement with MathsWatch, our online independent learning tool in mathematics. Who will claim the top spot overall this term?

## CARTOGRAPHY AND CURIOSITY IN GEOGRAPHY

Year 7 have shown a great level of curiosity in Geography this week, exploring the conventions of maps, how to make sense of grid references and discovering a whole lot more about the geography of their local area.

Year 7 students getting to grips with map reading and discovering more about the geography of their local area this week in their lessons.

**MACMILLAN COFFEE MORNING**  
@ the suthers school.

You are warmly invited to come and join us for an open morning. Have a look around, meet other parents, chat to staff and enjoy a cuppa (as well as a cake or two!) in aid of Macmillan Cancer Support.

Saturday 20th October, 10:00 am
