HAPPY NEW YEAR!

Happy New Year and welcome back! As we start 2019 we have much to look forward to, not least the start to the building work on our permanent home and we are delighted to be able to confirm that we will be holding a turnover event on Friday 18 January! This is the day when the ground will be ‘broken’ for the first time and marks the official start of the build. This historic occasion is an invite-only event with just four pupil places available so we will be holding a lottery draw next week to decide who our lucky representatives will be!

There is no doubt that our students are our very best ambassadors and we are very proud of the many students (as well as staff and parents!) who braved the cold back in December to host our stall at the Newark Christmas Market. A staggering total of more than £400 was raised for NET and is testament to the hard work and dedication of all involved as well as to the enterprise skills developed as part of the DT challenge. A special well done to Piper, Harry, Amilie, Honey, Madison and Summer who all picked up awards for outstanding contributions. Monies from this event will be added to the funds raised by Christmas Jumper Day and donated to support the vital work of Newark Emmaus Trust.

Braving the cold to raise money for NET. — a few of the many fantastic students who turned out to sell their wares in December.
