A WEEK FULL OF WISDOM AND WONDER

In a week that saw us marking International Women's Day with a series of lessons focused on women who have broken barriers and those who have championed change, we also celebrated World Book Day and attended our first ever WE Day celebration in London—an event centred on the success of youth action and giving voice to vital campaigns for social change.

CELEBRATING OUR CHANGE-MAKERS AT WE DAY 2019

On Wednesday, six of our students travelled to the SSE Wembley Arena for a star-studded celebration of active citizenship. All of the students who attended earned their place on the trip as a result of the local and global action campaigns they have set up and been involved with since starting at Suthers in 2017.

SWAPPING STORIES AND MORE FOR WORLD BOOK DAY

To mark World Book Day this year we held a Big Book Swap and our Brilliant Books Award team travelled to Nottingham Girls High School to hear from award-winning author, Hayley Long. It was great to see so many students inspired to swap stories and to get started on their own writing adventures!

LAYING THE FOUNDATIONS OF OUR FERNWOOD HOME

As you can see below, work on our permanent home in Fernwood is progressing very well with the foundations already taking shape! #Suthersishere
