SUTHERS STUDENTS BAKING A DIFFERENCE

This week saw the return of our annual Cake Swap event (*see below*) in aid of the Newark Emmaus Trust. Planned and organised by our charity group, SAVE, the event ran over two days and there was certainly a lot of cake on offer for those bringing donations of essential items. Donations will be sent to the Newark Emmaus Trust to support their work with young homeless people in the local community and builds on the tremendous support for the charity that SAVE have already helped to generate; last term we were very pleased to be able to pass on a cheque for more than £500 to NET - this is as a result of funds raised through sponsorship, cake sales, non-uniform days and House Point donations and so we would also like to extend a very big thank you to you all for your generous support of this worthy cause.

PREPARING FOR PERSONAL DEVELOPMENT DAYS

As we look ahead to next week, we are really looking forward to two off-timetable days which will include a technology-focused visit to Cadbury World for Year 7 and the chance to visit John Deere or RAF Wittering for Year 8. On Tuesday 30 April we will be welcoming gold-medal winning Paralympian Richard Whitehead MBE, who will be helping to launch our well-being challenge day focused on the value and importance of self-esteem and TORCH—our five key character strengths.

House Champions Term 4

Well done to Beacon who claimed the title of House Champions last term, narrowly beating Skylark to the top spot to earn themselves a non-uniform day this week!
