

# The Bulletin

Your Weekly News Update from The Suthers School

## In Brief:

- ◆ **Our Word of the Week**  
was 'extinction' in support of 'Wear it Wild' this week!
- ◆ **Year 7 Parents' Evening**  
It was great to see so many of you at Year 7 Parents' Evening this week. Thank you to everyone who took the time to complete our Parent Voice survey.
- ◆ **House Point Champions!**  
A reminder that Beacon—our reigning House Point Champions—will be celebrating their success with a non-uniform day on **Friday 14 June**.
- ◆ **Leadership in Action Again**  
Well done to our second group of Leadership Academy graduates who were a real credit to themselves and TSS when they visited Manners Sutton primary school this week.
- ◆ **Author visit coming soon!**  
We are all really looking forward to welcoming award-winning author, Mark Foster, into school on Thursday 27 June! More details to follow soon.

## WEARING IT WILD IN AID OF WWF

Things all got a bit wild at the end of this week with a non-uniform day in aid of the WWF's 'Wear it Wild' campaign. With the aim of raising money and raising the profile of the WWF's drive to keep the planet's welfare on the agenda, staff and students donned a fabulous array of animal-inspired clothes—from the ever popular leopard print numbers to the slightly less predictable dinosaur outfits, The Suthers School really got the message out there in style. We managed to raise more than £100 for this worthy cause and will mean that Year 7 have habitats in mind ahead of their visit to Twycross Zoo next week as part of their work in Science this term. Thank you all for your generous support!

## PROJECT POWER-UP FOR #NEXTGENLEADERS

Six of our Year 8 students who are taking part in a pilot leadership project as part of the #NextGenLeaders programme were put to the test this week when they attended a project den hosted by Capital One in Nottingham. During the event they were supported by business experts to develop their 'bag for life' concept—designed to provide support for the homeless as well as create links with local project partners.

*Next generation leaders: our Year 8 students at the Project Den hosted by Capital One where they also triumphed in the team building challenge. Well done everyone!*

## PRODUCT DESIGN: MARKET RESEARCH SUCCESS

*Students from 7MB who showed impressive levels of respect, curiosity and hard work in surveying members of the public—well done to you all! #suthersishere*

As part of their product development work in Design & Technology, our Year 7s have been taking to the streets of Bingham to find out exactly what hits the spot for sweet-toothed citizens in the local community. Following their visit to Cadbury World last term, students have been developing their own chocolate bars and devised questionnaires to help them understand their target market better.
